Dated 12th December, 1947.
Read the following:-

From the Surgeon-General, Ref.No.88760-2 Res.I/47, dated 25th November, 1947.

ORDER:

The Government approve the proposal of the Surgeon-general to discharge temporary Civil Assistant Surgeons mentioned in the list appended to his letter cited above in the order of juniority as and when war service candidates are appointed, subject to the following conditions:-

(1) War service candidates who are holding appointments as temporary Civil Assistant Surgeons under Rule 7(a) of the Special Rules for the Madras Medical Service and who have been selected by the Commission for appointment as Civil Assistant Surgeons should be retained;

(2) Sub-Assistant Surgeons, who have rendered war service and who have been appointed as temporary Civil Assistant Surgeons should be retained. These candidates should be reverted later on if they are not selected for regular promotion. For ~~that~~ this purpose, Dr.D.J. Townsend may be treated as a Sub-Assistant Surgeon.

(3) The Government observe that certain temporary Civil Assistant Surgeons, who proceeded on military duty, have been re-appointed as temporary Civil Assistant Surgeons, after their release from such duty. They would have continued as temporary Civil Assistant Surgeons, but for their proceeding on military duty. In these cases, the total period of service, including war service, should be taken into account for purposes of their seniority and they should be discharged when their turn comes according to their rank only.

(4) In the list of candidates approved in G.O.No.3462, P.H., dated 15-10-1947, for appointment as Civil Assistant Surgeons, indication has been given whether they are suitable for appointment in teaching or specialist branch. These officers should be appointed in place of junior officers, who are holding such appointments. Retention of junior officers in preference to seniors should be resorted to only when it is absolutely necessary in the interests of teaching and specialist work and their places cannot be filled up by candidates selected by the Madras Public Service Commission.
